

MISSION SAN LUIS REY

GUIDELINES FOR ADULT

CHAPERONES

Thank you for joining this field trip. During your visit, we ask all adult chaperones to please help students in your charge with the following:

- Stay with the group and follow the directions of the docents, Mission staff, and teachers.
- Walk carefully. Mission San Luis Rey is a historic site, with uneven paths and areas in ruins. Please watch your step.
- Respect our historic site. Students should not jump, climb, or sit on ruins, fountains, or other historic structures.
- For their safety, do not allow students to climb trees.
- Be respectful and quiet in areas where silence is appreciated, including the Historic Church and the courtyard viewing area.
- Respect private areas. Do not enter areas marked as private; the Mission is also home to a community of friars and a Retreat Center.
- Be especially respectful in the cemetery. The cemetery is still in operation. Please use designated walkways, remain quiet, and be considerate of other visitors, mourning families, services that may be taking place, and the daily operation of the cemetery office.
- Photography is permitted, but please do not use flash photography inside the museum, church, or during the docent tour.
- Food and drinks should be contained in picnic areas. Please help keep food outside the museum, historic church, and cemetery.
- Help keep the Mission clean by making sure trash and recycling are placed in designated bins.

Thank you for helping make our field trip a safe, respectful, and enjoyable experience for all students.
